Latest News and updates from the JROTC Falcon Battalion

CITY-WIDE DRILL COMPETITION

The Falcon Battalion participated in the 2021 Citywide Drill Competition at Carver Military Academy on December 11. The Prosser Senior Drill team and Color Guard performed in the masters division among the other JROTC units throughout Chicago. The Senior Drill Team and Color Guards did their best on the drill floor, a really impressive feat considering the year and a half of not getting the chance or practice to hone their skills. We are proud of their hard work and strong presentation on the Drill floor.

VETERANS GIFT BAGS

The Falcon Battalion completed their second Service Learning project by delivering gift bags for the veterans at Hines VA Hospital. The trip to Hines VA was a great success! Every cadet contributed and pitched in to bring valuable items for the veterans. The cadets who were able to take part in distributing the gift baskets said that "it was a big success." The veterans were very grateful that we took the time to bring them some daily necessities.

KRISPY KREME FUNDRAISER

Annually the Falcon Battalion launches the Krispy Kreme Fundraiser to raise money for the upcoming Military Ball and Organization Day. Every cadet has the choice to participate in the fundraiser to sell donuts. The Battalion stresses the importance of fundraisers, if more cadets participate then the Falcon Battalion will be able to do more events in the future. Falcon cadets help us promote our Fundraiser, remember each dozen is \$10!
